FRONT - END DEVELOPER | JAVASCRIPT DEVELOPER

A school Classified Paraeducator, now a Front - End Developer, always had a passion for learning so no wonder that after human languages switched to programming ones. Work great in a team and solo, love challenges and effectively use excellent communication skills with both - people and computers. Highly creative, easily adaptable, attentive to detail and experienced in hands-on JavaScript and React/Redux. With experience of living abroad and speaking several languages and unique skills in cross-cultural collaboration. Dream of working in an Agile environment at a mission-driven organization and building projects that create an impact.

TECHNICAL SKILLS

ReactJS, ReduxJS, JavaScript, Git/GitHub, Figma, API, Animation, HTML5, CSS3, Bootstrap-5
